

VIUFA Annual General Meeting April 2019

Non-Instructional Faculty Representative Annual Report

Hello everyone,

The membership confirmed my appointment as the Non-Instructional Faculty Rep to the VIUFA Executive at the February 27th general meeting while I was on vacation. Since my return mid-March, I have been attending VIUFA Executive Meetings and getting up to speed with the role and responsibilities, and how I can best serve faculty and their particular interests.

Respectfully submitted,

Andrea Martin, BA, MA.
